**Meet Miggs!**
Margaret Marks came to Legacy in November 2016. She has been a wonderful addition to our Legacy Place family!

Born in Allentown, Pennsylvania, on July 12, 1917, Margaret was the youngest of six children. Margaret is known around Legacy Place as “Miggs,” a nickname she said was given to her by her brother.

Miggs affectionately remembers meeting her future husband, Charles, one day while roller skating. They were married on September 24, 1939. Charles and Margaret had six children (Sandra, Eunice, Davida, Elizabeth, Timothy, and Jesse), six grandchildren (Elisse, Shana, James, Bethany, Lars and Monica) and six great-grandchildren (Avery, Lillian, Rune, Logan, Soren, and Amelia).

When talking to Margaret it becomes quickly evident that her relationship with Jehovah is what fills her with joy. She was baptized in 1939 and enjoyed auxiliary pioneering for ten years with her husband. Together they had the opportunity to preach and attend conventions in Mexico and California, as well as help with “need greater” work in Kentucky. Margaret even remembers watching Charles preach using the sound car in nearby parks.

Margaret’s favorite part about coming to Legacy Place is the spiritual component. She loves all the opportunities to receive spiritual food and spending the day surrounded by friends.

The staff at Legacy Place is very encouraged by Margaret’s bible knowledge. The number of scriptures she has committed to memory is remarkable! Marie, our activities director, says she can always count on Margaret to comment during study sessions and to participate in all the activities. She never misses an exercise session and is always willing to lend a helping hand during the weekly baking activity. Margaret even enjoys cleaning the tables when the baking is complete!

The next time you come to visit Legacy, stop by and talk to Margaret. You will be so encouraged. She is truly a wonderful sister!
Recognizing Signs of Alzheimer’s

Admitting to Alzheimer’s can be difficult. However, it can be dangerous to not put the right name to it. There are treatments and medications that could alleviate the Alzheimer’s just a little bit. The Alzheimer’s Association lists the following 10 things to look for:

1. Not being able to remember something that was just learned, and to the point that it affects everyday life
2. Having difficulty with planning or problem solving, such as making sense of numbers and dates
3. Reduced ability to perform normal, simple tasks they previously had no problems with before
4. Being unsure of the date, time or place
5. Breakdown of visuospatial abilities, like not recognizing themselves in a mirror
6. Difficulty with words, substituting phrases in place of the word itself
7. Forgetting where they put something, or storing it in an incorrect location
8. Altered, decreased or poor judgement
9. Change in personality as they withdraw from social interactions
10. Personality or mood changes in general

Ann Carter

We recently lost our dear sister, Ann, on May 19, 2017. Ann was born on March 21, 1923. She was preceded in death by her husband, Marty Carter, her brothers, Michael, Tony, Steven, Joseph, and her older sister Julie. She is survived by her sister Mary Vitulli; daughters Janet Light, Terrie Carter-Prince; and her sons Alan and Steven Carter; as well as 10 grandchildren and 10 great-grandchildren.

Ann was baptized as one of Jehovah’s Witnesses in August 1959. She was able to pioneer for 18 years.

Ann was very giving, hospitable, hardworking and fearless. She will be remembered for all the good that she did. We look forward to the day when “all those in the memorial tombs will hear his voice and come out.” Until then, she is safe in Jehovah’s memory.

Ann will be greatly missed at Legacy Place and by all those who have come to know and love her.

Welcome, New Residents!

Legacy Place is happy to welcome Jim and Pat Ritchie.

Correction

We discovered an error in our June newsletter. The article entitled, “Meet Betty, Bernie & Evie,” stated that Hattie was their mother. Hattie was Evie’s mother. Betty and Bernie’s mother was Jenny. We apologize for the mix up!

Baptism Dates

It is encouraging to talk to the older ones about their years of faithful service. A few of our residents shared the year they were baptized. Collectively, they are baptized over 900 years!
