Children Bringing Smiles and Song to Our Residents

This past month Legacy Place residents enjoyed a visit from a homeschool group of children from congregations in the area. The children sang songs for residents in both Memory Care and Personal Care. Children have such a wonderful way of brightening the day of those around them!
Iris and Donald Shook are two of Legacy Place Cottage’s newest residents. They moved here all the way from Ohio!

Spotlight on Safety

Now that the weather is warmer, some of our residents are enjoying time outside. A few have even started taking short walks in our parking lot. With that in mind, we kindly request that you drive very slowly in our parking area. Your cooperation will allow our residents to safely enjoy some fresh air!

Resident Spotlight: Lorraine Wenner

If you come to Legacy during one of our activities, you will most likely have the opportunity to meet Lorraine Wenner. She is one of our most involved residents. Her encouraging comments are a part of all the spiritual activities.

Born to Paul Gardi and Esther Zeigler on August 9, 1933, Lorraine is the oldest of two children. Her younger sister is Esther Pavanello. The girls grew up on a farm in Sugarloaf Valley, a town outside of Hazleton.

Lorraine was raised in the truth and baptized in 1941 at a convention held in Allentown, PA. Lorraine married Donald Wenner on June 13, 1953. They welcomed their daughter, Tama, in 1954. Since then, the family has continued to grow. Lorraine is not only a grandmother, but a great-grandmother as well!

Tama says that she has many wonderful memories of growing up in the very large Wenner family. What she enjoyed most was her relationship with her mother. Tama recalls that, no matter how busy her mother was, she always made time for her. They enjoyed one-on-one time shopping and going out to eat. The little diner in Woolworths and Hess’s were some of their favorites. Tama shared that she “couldn’t have asked for better parents. I knew I was always loved and spoiled!”

Donald and Lorraine both held secular jobs for many years. Donald worked for Mack Trucks. Lorraine worked as an administrative assistant to the vice president of a furniture company for 20 years. She also spent 19 years as a bus driver for the East Penn School District.

Lorraine’s many hobbies included cooking, baking and sewing. She would sew clothing and even made drapes for the Kingdom Hall. She has always given Jehovah her very best. She took advantage of the opportunity to auxiliary pioneer and travel to Europe to visit an assembly hall that was being constructed in Hungary. They were also able to travel to conventions around the country, enjoying the unity of our brotherhood wherever they went.

Lorraine has been a resident of Legacy Place Cottages for a little over 2 years. She expressed her appreciation for all the wonderful association she receives on a daily basis. To live among other servants of Jehovah is truly a blessing!
